Our balers amplify  
recycling rewards

**At HOTECH, we're pioneers in recycling equipment**

The **SG-80 Baler** embodies our commitment to innovation and sustainability.

**1**

**Versatility :**

Handles standard recyclables and tougher materials like HDPE, PET, and aluminum cans.

**2**

**Automated Precision :**

Consistent compression via an automatic press cycle.

**3**

**Customizable Efficiency :**

Material infeed hopper tailored to your workflow.
